The above styled dockets came before the Tennessee Regulatory Authority ("Authority" or "TRA") at a regularly scheduled Authority Conference held on November 6, 2006. The panel assigned to these dockets voted 2-1 to require the filing of briefs by the parties regarding whether Docket No. 05-00253 or Docket No. 05-00258 is the appropriate forum to address asset management issues and how resolution of such issues should proceed. These briefs shall take into consideration that Docket No. 05-00253 is a contested case in which parties can seek intervention to address these issues apart from Docket No. 05-00258.
