Docket No. 05-00258  
Atmos Energy Corporation

Dear Chairman Kyle:

Enclosed are the original and five copies of revisions to Tariff Rate Schedules 210 – Residential Gas Service and 225 – Public Housing Authority Gas Service. These revised tariff schedules should replace the original rate schedules filed December 28, 2006. The changes reflect discussions between Company and Staff.

Tariffs for all Atmos' revised rate schedules are included with an effective date of December 1, 2006. If you have any questions, please contact me at 972-855-9727.

Very truly yours,

Edwin Wilkins  
Senior Rate Analyst

Residential service is available within the Company's service area to single private residences, including the separate private units of apartment houses and other multiple dwellings, actually used for residential purposes, which are separately metered.

Character of Service

Natural gas, with a heating value of approximately 1,000 Btu per cubic foot, supplied through a single delivery point and a single meter, at the delivery pressure of the distribution system in the area.

Customer Charge

A customer charge of \$12.00 for the months October through April is payable regardless of the usage of gas.

A customer charge of \$9.00 for the months of May through September is payable regardless of the usage of gas.

Monthly

All consumption, per Ccf     \$.1207

Minimum Bill

The minimum net monthly bill shall be the customer charge per month as described above.

Payment

Each monthly bill for service is due and payable on the date it is issued. A charge of five percent (5%) may be added to the amount of any bill remaining unpaid at the close of the first business day after fifteen (15) days following such date of issue.

Gas Lights

For all gas light services, the charge for such services shall be based on actual usage through a metered source at this tariff rate. For all unmetered gas light services prior to August 17, 1990 the customer will be billed for twenty (20) Ccf per standard residential gas light. For all unmetered gas light service after August 17, 1990 the Company may estimate and determine the appropriate consumption of the light and charge the applicable rate under this rate schedule.
