Chairman Ron Jones

Nashville, Tennessee

Dear Chairman Jones:

This letter concerns the customers of NuStar Communications, Corp. a reseller.

This reseller's account is in arrears and that BellSouth has notified them that their customers will be disconnected unless they make arrangements to correct this situation. We understand that PCB Communications, Inc., is making efforts to become certified as a reseller and desires to acquire NuStar's customer base (TRA Docket 05-00274).

BellSouth is working with both parties in an effort to maintain service to the end users until this proposed transition can be approved and implemented. While working to this end, however, BellSouth cannot be placed in the position of providing service to these end users without compensation, and therefore we reserve our right to take any necessary action to protect our interests in this matter.

Yours truly,

Charlie Howorth
