Re: Tennessee Public Utility Commission, Docket No. 05-00293
*Petition of Tennessee Wastewater Systems, Inc. to Expand its Service Area to
Include a Portion of Robertson County, Tennessee, Known as Cross Plains.*

Dear Mr. Ridsen:

On August 18, 2021, Tennessee Wastewater Systems, Inc. (TWSI) filed an *Updated and Revised Notice of Intent to Serve the Stoney Brook Subdivision* pursuant to the new minimum filing requirements (MFRs) set out in Tenn. Comp. R. & Regs. 1220-04-01-.13 (May 2021). Prior to this filing, TWSI initiated discussions with the Consumer Advocate to discuss the MFRs. We appreciate the opportunity for discussion with TWSI before the filing was made.

The Consumer Advocate has reviewed the Update and Revised Notice to determine TWSI's compliance with the Commission's MFRs for a utility to provide service to a contiguous territory. It appears that TWSI has complied with the MFRs in Tenn. Comp. R. & Regs. 1220-04-01-.13. Therefore, the Consumer Advocate will not file testimony in this Docket. If you have questions regarding this request, please contact me at (615) 741-2370.

Respectfully,

A handwritten signature in blue ink that reads "Karen H. Stachowski".
