***Re: Complaint of NuVox Against Frontier Communications for Blocking  
Calls and Request for Immediate Interim Relief  
Docket 05-00299***

Dear Ms. Montgomery:

In response to your letter of November 29, 2007, both NuVox and Frontier request that the agency continue to hold this matter in abeyance, pending further notice from either party.

The initial problems which prompted the filing of the complaint by NuVox have been resolved based on an interim agreement between the parties. Nevertheless, the parties do not at this time have an interconnection agreement which would permanently settle the matter. While there is no reason for the agency to move forward on this complaint, dismissal of the complaint could be detrimental to further negotiations.

Therefore, based on our assumption that continuing to hold this docket in abeyance places no administrative burden on the agency, Frontier and NuVox respectfully request that the status of the case remain unchanged.

Very truly yours,

Henry Walker
