***RE: In Re: Petition of GETCO, a Tennessee General Partnership, and  
Isaac Luboti, Individually, for Enforcement of Operating Agreement  
and Sale of Financial Rights, TRA Docket No. 05-00304***

Dear Chairman Jones:

We are advised that the Petitioners in the above-captioned matter have requested that the Authority remove this matter from its February 21, 2006, Agenda Conference. In the spirit of cooperation, I have advised counsel for the Petitioners that Memphis Light Gas & Water, which I represent, and Memphis Broadband LLC, represented by Nathan Bicks, will agree to continue this matter, conditioned upon the matter being considered by the Authority at one of its regularly scheduled Agenda Conferences in March 2006. Given that this matter has been pending since November 1, 2005, we are persuaded that our compromise is reasonable.

If you have any questions or require additional information, please let me know.

Very truly yours,

Melvin J. Malone
