dPi Teleconnect, LLC v. AT&T Tennessee
Docket No. 08-00063

Dear Ms. Montgomery:

Your letter of June 10, 2009, asked for a status update with regards to each of the above referenced dockets, along with a report on whether it is necessary to keep these dockets open. Both dockets relate to disputes between the parties which continue unresolved. Cases nearly identical to each of the cases in Tennessee have been filed and are moving towards conclusion in sister states; the Tennessee cases have not been pressed as fervently because the amounts at stake in Tennessee are relatively smaller than in other former BellSouth states.

dPi is not abandoning its claims in Tennessee in either case and is prepared to engage in a status conference and enter into a scheduling order if the TVA wishes to speed resolution of either or both of these cases.

Please let me know if you have any further questions or concerns about these matters, or if there is any other way I can be of assistance.

Very truly yours

Christopher Malish
