DATE: May 23, 2006

SUBJECT: Docket No. 05-00321
Chattanooga Gas Company's Actual Cost Adjustment Filing for the Twelve Months Ended June 30, 2005 – Extension of 180 day audit period to July 10, 2006.

The six-month deadline for the completion and approval of the TRA Staff's audit of Chattanooga Gas Company's Actual Cost Adjustment filing is June 1, 2006. In order to allow sufficient time for the TRA Staff to issue its final data request and the Company to respond, it will be necessary to extend the deadline that is prescribed in the PGA Rule and the Company's tariff. TRA Rule 1220-4-7-.03(2) provides for an extension of the 180-day notification by mutual consent of both the Company and the TRA Staff.

On May 23, Staff contacted the Company to request the above extension. On May 23, Archie Hickerson, Director of Regulatory Affairs for AGL Resources, responded by email that the Company did not object to extension requested.
