IN RE: Generic Docket to Develop Policy for the Submission and Review of
CLEC-TO-CLEC Interconnection Agreements.

Date: August 24, 2006

In Docket No. 04-00128, a petition for approval of an Interconnection Agreement was filed with the Tennessee Regulatory Authority ("TRA") by Jackson Energy Authority and Aeneas Communications, LLC, both competing local exchange carriers. In approving the Interconnection Agreement, the panel voted to open a generic docket for the purpose of developing policy and guidelines for the submission and review of CLEC-to-CLEC interconnection agreements.

At this time, the TRA is requesting that all interested parties file written comments in this docket (Docket No. 05-00327) to be considered by the Authority in developing policy and establishing guidelines for the submission and review of CLEC-to-CLEC interconnection agreements. All written comments should be filed no later than **2:00 p.m. on September 15, 2006.**
