Re: Petition of Cartwright Creek Utility Company, a Division of Sheaffer International, L.L.C. to amend its Certificate of Convenience & Necessity in order to provide service to the Burrus Ridge Development in Robertson County, Tennessee (Docket 06-00005).

Correction to Company name contained in the filing.

Dear Chairman Jones:

On January 10, 2006, the above Petition was filed in the name of Cartwright Creek Utility Company. However, the TRA had previously approved the transfer of Cartwright Creek Utility Company to Cartwright Creek, L.L.C. on November 8, 2004 in Docket 04-00307. Therefore, all references to Cartwright Creek Utility Company in the January 10th Petition for Docket 06-00005 should instead refer to Cartwright Creek, L.L.C., and we would ask that this change be reflected in the Authority's official file. All other aspects of the January 10th Petition remain unchanged.

We regret any confusion or misunderstanding caused by this error. Should you have any questions, or need anything further, please do not hesitate to contact me.

Sincerely,

William H. Novak
Regulatory Agent for
Cartwright Creek, L.L.C.
