Re: Petition of Cartwright Creek, L.L.C. to amend its Certificate of Convenience & Necessity in order to provide service to the Burrus Ridge Development in Robertson County, Tennessee. **Docket 06-00005.**

Dear Ms. Standley:

On behalf of Cartwright Creek, L.L.C., we would like to formally request a ninety (90) day extension to respond to the TRA Staff's data request of May 11, 2006. This extension would take effect on August 1st 2006 and expire on October 31, 2006. Previously, we had orally requested an extension to respond to this request.

At this time, it is unclear whether or not the Burrus Ridge developer intends to either use Cartwright Creek, L.L.C. as a wastewater provider or extend the development's wastewater service lines to the City of White House. We expect a decision on this issue to be made by October 31, 2006 at which time we will be able to respond to the Staff's data request.

Thank you for your consideration of this request. If you have any questions in regards to this request, please contact me at 713-298-1760.

Sincerely,

William H. Novak
