BEFORE THE TENNESSEE REGULATORY AUTHORITY

In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc and Business Telecom, Inc Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. _____

**PETITION FOR APPROVAL OF THE
AMENDMENT TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC.
AND BUSINESS TELECOM, INC.
PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996**

COME NOW, Business Telecom, Inc. ("BTI") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated March 25, 2003 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, BTI and BellSouth state the following:

1. BTI and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to BTI. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on June 2, 2003.

2. The parties have recently negotiated an Amendment to the Agreement. The Amendment adds USOCs for TRRO EEL/DS1 loops and TRRO Mux rearrangements to match the rates in the TRRO amendment dated November 12, 2005. A copy of the Amendment is attached hereto and incorporated herein by reference.

3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, BTI and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit the Amendment to the TRA for approval

4. In accordance with Section 252(c) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and BTI within 90 days of submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. BTI and BellSouth aver that the Amendment is consistent with the standards for approval

6. Pursuant to 47 USC Section 252(i) and 47 C.F.R. Section 51.809, BellSouth shall make available the entire Interconnection Agreement filed and approved pursuant to 47 USC Section 252.

BTI and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 10th day of April, 2006.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
