RE: Docket No. 06-00019 and 06-00126, VCI Company – Notice of Intention to Discontinue Local Exchange Service in Tennessee and Intention to Relinquish Eligible Telecommunications Carrier (“ETC”) Designation.

Dear Mr. Stinson:

On March 30, 2006, VCI Company was granted a certificate of authority to operate as a facilities-based competing local exchange carrier in Tennessee in TRA Docket No. 06-0019. VCI Company was further granted Eligible Telecommunications Carrier (“ETC”) Designation on July 24, 2006 in TRA Docket No. 06-00126.

On November 17, 2008, the Tennessee Regulatory Authority received correspondence from VCI Company indicating its notice of discontinuation of the provision of local exchange service in Tennessee and its intent to relinquish the company’s ETC designation. In support of these notifications, VCI states in its November 17, 2008 letter that it has no customers in Tennessee.

Please confirm that AT&T Tennessee is not providing any facilities, UNEs, or resold lines to VCI Company at this time.

If possible, please respond to this request by December 1, 2008. If you have questions regarding this matter, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

Darlene Standley
Utilities Division Chief
