RE: *Application of Symtelco, LLC for a Certificate of Convenience and Necessity to Operate as a Competing Local Exchange Carrier in Tennessee.*
Docket Number 06-00032.

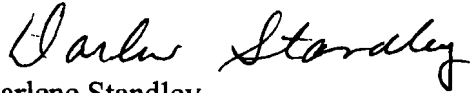

Dear Mr. Neeld:

The Tennessee Regulatory Authority is in receipt of the above application and requires additional information to proceed with the processing this application. CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Symtelco LLC's application for a Certificate of Convenience and Necessity to Operate as a Competing Local Exchange Carrier in Tennessee, you are requested to provide the following information:

1. An informational tariff describing the services to be offered in Tennessee, including rates, terms and conditions. Tariffs filed with this application are informational only, and an official tariff with issued and effective dates should be filed subsequent to the applications approval and prior to commencing operations in the state.
2. Elaborate on the prior experience and educational qualifications of the management profiles in Exhibit E of the application. Will other staff be responsible for operations in Tennessee? If so, please provide their educational, management and technical backgrounds as well.

This information should be provided by March 1, 2006. In accordance with TRA rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. The response should also reference docket number 06-00032. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

A handwritten signature in cursive script that reads "Darlene Standley".
