REGULATIONS**2.45 Lifeline Program**

The lifeline program provides assistance for eligible Residential customers. The Federal Lifeline Program reduces the subscriber's monthly telephone bill by \$13.50.

2.45.1 Eligibility

Customers are eligible if they participate in at least one of the following programs: Medicaid, Food Stamps, Federal Public Housing, Supplemental Security Income, Low Income Home Energy Assistance Program, Temporary Assistance to Needy Families (TANF), or National School Lunch's free lunch program (NSL). Additionally, a customer with total gross annual income that does not exceed 125% of the federal poverty income guidelines may apply directly to the Tennessee Regulatory Authority (TRA) for Lifeline eligibility certification.

2.45.2 Regulations

1. Regulations specified elsewhere in the Company's tariffs apply to Lifeline Service.
2. Lifeline Service is available only with residence services. Lifeline Service is limited to one line per household at the customer's primary residence.
3. A non-recurring service charge does not apply when Lifeline Service is added or discontinued to existing service when that is the only work being done.
4. The Lifeline plan will apply after receipt and processing of a completed Lifeline application, including documentation proving eligibility.
5. Customers of Lifeline Service must notify the Company of any changes that would affect qualification. Reverification of eligibility will take place on an ongoing basis. When the customer is no longer eligible for Lifeline service, the Lifeline discount will be discontinued and regular tariffed rates and charges will apply.
6. As a participant in Lifeline Service, customers are eligible to receive toll blocking service at no charge. This service will only be provided at the customer's request.

Toll blocking service is defined as a central office service that restricts access to the network. Toll blocking is provided where facilities permit and will not allow 1+, 0+, 0-, 101XXXX, 900, or interzone calls to be completed. Toll blocking does not restrict local calls, calls to intraNPA directory assistance, telephone repair service, 911, or calls to 800 or 950 numbers.

2.45.3 Link-Up

Link up is offered to Customers who meet the eligibility requirements for Lifeline. A federal credit amount of fifty percent (50%) of the non-recurring charges for connection of service, up to a maximum of thirty dollars (\$30.00), is available to be passed through to the subscriber.
