ORDER GRANTING APPROVAL OF AN ASSUMED NAME

This matter came before Chairman Ron Jones, Director Pat Miller and Director Sara Kyle of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this Docket, at a regularly scheduled Authority Conference held on March 20, 2006, upon the Petition of MCImetro Access Transmission Services, LLC (the "Company") to add an assumed name.

On November 20, 1995, the Tennessee Public Service Commission issued an order in Docket No. 93-08793 authorizing the Company as a competitive local exchange and interexchange telecommunications services carrier within Tennessee. On February 14, 2006, the Company notified the Authority that the Company will be operating in Tennessee under the assumed name of MCImetro Access Transmission Services, LLC d/b/a Verizon Access Transmission Services.

Based upon careful consideration of the record of this matter and upon a finding that the Company has met all the requirements of Tenn. Comp. R. & Regs. 1220-4-1-.08 the panel voted unanimously to approve the name change.

IT IS SO ORDERED.

Ron Jones, Chairman

Pat Miller, Director

Sara Kyle, Director
