PETITION FOR APPROVAL OF THE AMENDMENT TO THE INTERCONNECTION AGREEMENT NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC. AND ALLTEL COMMUNICATIONS, INC. PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, ALLTEL Communications, Inc. ("ALLTEL") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated August 29, 2004 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, ALLTEL and BellSouth state the following:

- 1. ALLTEL and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to ALLTEL. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on November 8, 2004.
- 2. The parties have recently negotiated an Amendment to the Agreement which adds rates for additional USOCs to Exhibit A of Attachment 2 to the Agreement. A copy of the Amendment is attached hereto and incorporated herein by reference.

- 3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, ALLTEL and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit this Amendment to the TRA for approval.
- 4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and ALLTEL within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.
- 5. ALLTEL and BellSouth aver that the Amendment is consistent with the standards for approval.
- 6. Pursuant to 47 USC Section 252(i) and 47 C.F.R. Section 51.809, BellSouth shall make available the entire Interconnection Agreement approved pursuant to 47 USC Section 252.

ALLTEL and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 14th day of Teb. , 2006.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
