**NEGOTIATED BETWEEN BELL SOUTH TELECOMMUNICATIONS, INC.**  
**AND NUVOX COMMUNICATIONS, INC. F/K/A TRIVERGENT**

**THE TELECOMMUNICATIONS ACT OF 1996**

COME NOW, NuVox Communications, Inc. f/k/a Trivergent Communications, Inc. ("NuVox") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated June 30, 2000 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, NuVox and BellSouth state the following:

1. NuVox and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to NuVox. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on October 24, 2000.

2. The Interconnection Agreement expired on June 29, 2003 and the parties are currently in arbitration proceedings in BellSouth's nine state region. The Interconnection Agreement will continue month to month until the arbitrations have been completed.

3. The parties have recently negotiated an Amendment to the Agreement. The Amendment modifies Attachment 2 to the Agreement relating to Rearrangements. A copy of the Amendment is attached.

4. Pursuant to Section 252(e) of the Telecommunications Act of 1996, NuVox and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit the Amendment to the TRA for approval.

5. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and NuVox within 90 days of their submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

6. NuVox and BellSouth aver that the Amendment is consistent with the standards for approval.

NuVox and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 14th day of Feb., 2006.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.

**Amendment to the Agreement  
Between  
NuVox Communications, Inc.  
and  
BellSouth Telecommunications, Inc.  
Dated June 30, 2000**

Pursuant to this Amendment, (the "Amendment"), NuVox Communications, Inc. (NuVox), and BellSouth Telecommunications, Inc. (BellSouth), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated June 30, 2000 (Agreement) to be effective 15 (fifteen) days after the date of the last signature executing the Amendment (Effective Date).

WHEREAS, BellSouth and NuVox entered into the Agreement on June 30, 2000, and;

NOW, THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. The Parties agree to replace the language in Section 8.3.6 with the following:

**8.3.6 Rearrangements**

- 8.3.6.1 Rearrangement of a dedicated transport or combination that includes dedicated transport that requires a CFA change: A request to move a working NuVox circuit from one CFA to another CFA, where both CFAs terminate in the same BellSouth Central Office (Change in CFA), shall not constitute the establishment of new service. The applicable rates set forth in Exhibit A shall apply.
- 8.3.6.2 Requests to reterminate one end of a facility that is not a Change in CFA constitute the establishment of new service and require disconnection of existing service and the applicable rates set forth in Exhibit A shall apply.
- 8.3.6.3 Upon request of NuVox, BellSouth shall project manage the Change in CFA or retermination of Dedicated Transport and combinations that include transport as described in Sections 8.3.6.1 and 8.3.6.2 above and NuVox may request OC-TS for such orders and such OC-TS will be available at times designated by NuVox 24 hours a day, 7 days a week (except holidays).
- 8.3.6.4 BellSouth shall accept a LOA between NuVox and another carrier that will allow NuVox to connect Dedicated Transport, or Combination that includes Dedicated Transport to the other carrier's collocation space.
- 8.3.6.5 Rearrangement of an EEL to a standalone UNE Loop that requires a CFA change: NuVox may utilize the EEL to UNE Loop (UNE-L) Retermination process, as described in BellSouth's guides available on its web site, to disconnect an EEL circuit and reterminate the Loop

portion of the former EEL circuit to a collocation arrangement in the End User Serving Wire Center as a standalone UNE Loop. When using this process, the existing Loop portion of the EEL will be re-used and the resulting standalone Loop will be subject to the rates, terms and conditions for that particular Loop as set forth in this Attachment. This process will apply only to EELs that include as a part of its combination a DS1 Loop, UVL-SL2 Loop, 4-Wire UDL Loop (64, 56 kbs) and a 2-Wire ISDN Loop.

8.3.6.6 BellSouth shall charge the applicable EEL to UNE-L Retermination rates found in Exhibit A. NuVox shall also be charged applicable manual service order, collocation cross-connect and EEL disconnect charges, to the extent not already paid, are as set forth in Exhibit A.

8.3.6.7 The EEL to UNE-L Retermination process is not available when the Rearrangement requires a dispatch outside the serving wire center where the Loop terminates. If an outside dispatch is required, or if NuVox elects not to utilize the EEL to UNE-L Retermination process, NuVox must submit an LSR to disconnect the entire EEL circuit, and must submit a separate LSR for the requested standalone Loop. In such cases, NuVox will be charged the EEL disconnect charges and the full non-recurring rates for installation of a new Loop, as set forth in Exhibit A.

2. The Parties agree to delete the rates for Service Rearrangements in Attachment 2, Exhibit A and add the rates for Rearrangements and Service Rearrangements to Exhibit A of Attachment 1, as set forth in Exhibit I, attached hereto and by reference incorporated into this Amendment.
3. All of the other provisions of the Agreement dated June 30, 2000 shall remain unchanged and in full force and effect.
4. Either or both of the Parties are authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties have executed this Amendment the day and year written below.
