T.R.A. DELET ROOM

211 IS NOT BEING USED BY ANYONE IN THE LORETTO EXCHANGES

Doug Fluegel of the United Way indicated to me last week that 211 was approved. I may have misunderstood him. But he gave me an 866 number that we have directed 211 to forward calls.

We are monitoring to see if there are any phantom calls. If phantom calls show up we will direct 211 to a device that will require the caller to dial a 1 or 0 to reach UNITED WAY.

If any questions give me a call.

Re: Docket No. 06-00048

Dear Ms. Standley,

TDS Telecom provides this response in to your letter dated February 23, 2006 regarding United Way of Metropolitan Nashville petition for allocation of the 211 abbreviated dialing code.

The 211 number is available for use in the Tennessee Telephone Company counties of Wayne, Perry, Marshall and Decatur, Humphrey's County Telephone Company (Humphreys County) and Tellico (Monroe County). The 211 dialing number has already been installed for Concord Telephone Company and Tennessee Telephone Company's serving areas Mt. Juliet and LaVergne.

Should you have any questions please call me.

Sincerely,

A handwritten signature in cursive script that reads "Bruce Mottern".
