United Way of Metropolitan Nashville (UWMN) respectfully submits this Amended Petition for allocation of an N11 number for the purpose of providing health and human service information & referral. In the previous petition, submitted February 14, 2006, UWMN requested allocation of the 2-1-1 dialing code in Hamblen County. The Tennessee Alliance of Information & Referral Systems submitted an Amended Petition in docket 04-00342 that suggested Hamblen County 2-1-1 calls be sent to Helping Hands Home Assistance according to the TRA mediation on 2/16/06. UWMN hereby removes its request for the 2-1-1 dialing code in Hamblen County according to the terms of the above mediation.

Respectfully submitted,
