T.R.A. DOCKET ROOM

June 9, 2006

Ron Jones, Chairman
Tennessee Regulatory Authority
460 James Robertson Pkwy.
Nashville, Tennessee 37243-0505

***Re: Application of CTC Communications Group, Inc., CTC Communications Corp. and
Choice One Communications Inc. For Approval of a Change of Ownership of an Authorized
Telecommunications Provider in Connection with a Merger Transaction; Request for
Authority to Provide Security in connection with New Financing***

Docket 06-00058

Dear Chairman Jones:

The order of June 6, 2006, in the above-captioned proceeding states that the TRA's approval is contingent upon FCC approval and states that the FCC has now placed this matter on a streamlined track. CTC has since learned that the FCC has now put CTC's application in the regular ie., non-streamlined, review process. Nevertheless FCC approval is still expected and we will advise the Authority when that occurs.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
