Re: Petition of Cartwright Creek, LLC for Exemption from Financial Security-Docket 06-00062

Dear Ms Standley:

I accordance with our meeting after the hearing on the above referenced matter on April 3, 2006, please note the following:

1. Cartwright Creek will provide funds in the approximate amount of \$240,000.00 to satisfy the TRA's financial security requirements under Chapter 1220-4-13-.07 of the Tennessee Regulatory Authority Wastewater Regulations.
2. The funds will be used for the repair, maintenance and improvement to the Collection and Treatment System at the Cartwright Creek plant located at River Rest Subdivision, Franklin, Tennessee.
3. The funds will also be used for the installation of a Sludge Elimination System as approved by a TRA representative and Cartwright Creek Representative.

Please advise if you would like to proceed with some alternative structure.

It was a pleasure meeting you and your staff and Cartwright Creek appreciates your assistance and looks forward to a long-term relationship.

If you have any questions regarding this matter, please do not hesitate to contact me.

Very Truly yours,
