RE: Financial Security Petition (Docket No. 06-00062)

Dear Mr. Cochran:

On April 3, 2006, the Tennessee Regulatory Authority ("Authority") heard a petition from you regarding the financial security required for Cartwright Creek, LLC. The petition sought to exempt Cartwright Creek, LLC from the financial security required by the Public Necessity Rule Chapter 1220-4-13. After the hearing, we met to discuss alternatives that Cartwright Creek, LLC may consider pursuing to comply with the financial security requirement. Subsequently, you and I had a telephone conversation on this same subject.

Please provide a revised petition with the information discussed, including proof of a separate escrow account in the amount of \$300,000 and a personal security instrument on the person or persons named on the account. The revised petition should be provided by April 28, 2006.

Should you have any questions regarding this request, please contact me at 615-741-2904 ext. 149.

Thank you for your cooperation to comply with the financial security requirements.

Sincerely,

*Dawn M. Forth* For Darlene Standley
