RE: Docket No. 06-00067 *Application of YMAX Communications Corp. Petition for Authority to Provide Facilities Based Competing Local Telecommunications Services in Tennessee.*

Dear Mr. Borislow:

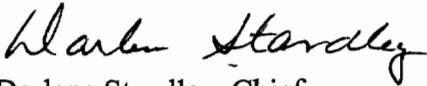

Tenn. Code Ann. § 65-4-201 (2004) requires that competing local exchange carriers ("CLECs") must demonstrate their managerial, financial and technical ability to provide the services for which they seek authority. In addition to the testimony presented at the hearing held on July 27, 2006, the Tennessee Regulatory Authority requests that you provide information to further assist the Authority in its consideration of YMax Communications Corp.'s application for a Certificate of Convenience and Necessity to provide competing facilities-based local telecommunications services in Tennessee:

1. What was your role, if any, in the creation of the company Tel-Save, which later became known as Talk.com?
2. Describe the corporate structure of Talk.com during the time you were an officer of the company?
3. What was your title and position with Talk.com?
4. What were your duties with Talk.com?
5. Describe the marketing strategies used by Talk.com while you were an officer of the company?
6. Were there any customer complaints filed against Talk.com during the time you were an officer and/or employee of the company? If so, what was the nature of the complaints?
7. Describe the process in place to resolve customer complaints?
8. Are you aware of the Show Cause Order initiated by the Tennessee Regulatory Authority against Talk.com?
9. Were you involved in the investigation by the TRA?

10. What was your role, if any, in developing the initiatives or strategies that were the source of consumer complaints at Talk.com?
11. What date did you terminate your employment with Talk.com?
12. What was the reason for terminating your employment with Talk.com?
13. Have you been employed in the telecommunications industry since leaving Talk.com?
14. If so, please provide the names and addresses of each employer, the dates of employment, your official title and a brief description of your duties.
15. Please describe the marketing strategies to be used by YMAX?
16. Explain the procedure to be used by YMAX to resolve customer complaints?
17. Please provide a signed statement verifying that the information provided in your response to this Data Request is true and correct to the best of your knowledge, information and belief.

Please send your response to the above questions to the Office of the Chairman no later than 2:00 pm on August 28, 2006. In accordance with TRA Rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Also reference the docket number 06-00067 on the response. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

Darlene Standley, Chief
Utilities Division
