Dear Mr. Scholes:

On March 3, 2006, a letter was sent to Lynwood Utilities, to the attention of Tyler Ring, requesting the Company to file the required proof of security by March 13, 2006 to comply with the requirements in Rule 1220-4-13-.07 pursuant to Tenn. Code Ann. § 65-2-102. On March 13, 2006, Lynwood filed a petition for a 30-day extension to file the required proof of financial security. This petition was considered by the Authority on April 3, 2006 and an extension was granted until April 13, 2006. To date, no proof of security has been filed with the Authority nor has a petition been filed with the Authority to request approval of an alternative financial security permitted under Rule 1220-4-13-.07(5).

Please respond to the directive of the Authority by providing the required proof of financial security no later than 2:00 P.M. on Thursday, May 11, 2006 and reference Docket No. 06-00071 on the response. In accordance with Authority rules, submit either thirteen (13) written copies of the filing or four (4) written copies and an electronic version. If the Authority should communicate directly with Mr. Ring regarding this matter, please advise.

Should you or Mr. Ring have any questions regarding this letter, please contact Ron Graham at 615-741-2904 ext. 164. Thank you for your cooperation in responding to this request.

Sincerely,

J. Richard Collier
