RE: Petition to Request Voluntary Cancellation of Service Area known as Parrott's Bay  
(Docket #06-00077)

Dear Chairman Hargett:

Tennessee Wastewater Systems, Inc. desires to cancel the previously acquired service area from Docket #06-00077. To date, no sewer system has been constructed to serve this area and no customers are currently being served in this area. The original developer, McKeough Land Company, has sold the development property to Mr. Chip Leonard. Mr. Leonard has stated that he does not wish for our utility to serve his development. We are requesting voluntary cancellation of our certificate to serve this area in order to allow Mr. Leonard to find another provider.

Sincerely,

Matt Pickney, Operations Manager  
Tennessee Wastewater Systems, Inc.
