ORDER GRANTING CANCELLATION OF
CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY

This matter came before Chairman Eddie Roberson, Director Sara Kyle and Director Mary W. Freeman of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on January 26, 2009. Tennessee Wastewater Systems, Inc. (the "Company") filed a Petition to amend its Certificate of Public Convenience and Necessity ("CCN") to expand its service area to include a portion of Jefferson County known as Parrott's Bay on March 20, 2006. At a Hearing held on July 10, 2006, the Directors approved the Petition. On December 8, 2008, the Company requested that the TRA cancel the amendment to its CCN. Based upon careful consideration of the entire record in this matter, the panel voted unanimously to grant the Company's request to cancel the amendment to its CCN which expanded its service area to include a portion of Jefferson County, Tennessee, known as Parrott's Bay.

IT IS SO ORDERED.

Eddie Roberson, Chairman

Sara Kyle, Director

Mary W. Freeman, Director
