The six-month deadline for the completion and consideration of the TRA Staff's audit of the above captioned docket was previously extended to December 4, 2006. Staff and the Company have mutually agreed to further extend this deadline to the December 18, 2006 Authority Conference. The Company requested the extension to enable the Company sufficient time to reply to Staff's draft audit findings, through its attorney Jim Jeffries. TRA Rule 1220-4-7-.03(2) provides for an extension of the 180-day notification by mutual consent of both the Company and the TRA Staff.
