Re: *Joint Filing of AT&T Inc., BellSouth Corporation, and BellSouth's Certificated Tennessee Subsidiaries Regarding Change of Control* (Docket No. 06-00093)

Dear Mr. Robinson:

A question has arisen following the June 28, 2006 hearing in this matter that I believe needs to be answered by AT&T. Therefore, please respond to the following question:

**What is AT&T's policy with respect to the privacy of the phone records of its customers and what does AT&T require in order for it to release such records? How does this differ, if at all, from BellSouth's policy?**

Please respond in writing to this data request by filing your response in the docket file by July 7, 2006.

Sincerely,

Pat Miller, Director
