Re: Docket 06-00120: Petition of Americatel Corporation d/b/a 1010 123 Americatel,
Ametex, Ametel and 1 800 3030 123 Americatel Collect for Transfer of Control

Dear Mr. Chairman:

I am writing to call your attention to some background facts regarding the above referenced transfer of control that was approved by the Tennessee Regulatory Authority ("TRA") at the TRA's hearing on June 12, 2006. To date, no order has been issued evidencing the TRA's approval. The parties are scheduled to close the approved transfer of control this Friday, June 30, 2006, and to that end, Sellers have plans to travel to the United States from South America, where the Sellers are located. As of this point, all regulatory approvals, both on the State and Federal levels, have been obtained and Tennessee is the only state where an order has not yet issued.

The business Americatel transacts in Tennessee is *de minimus*, Americatel will continue to provide services in the state under existing arrangements, pursuant to its certification granted by the TRA, and this transaction will in all other ways be transparent to Americatel's customers in Tennessee. For all the foregoing reasons, we would appreciate anything you can do to issue expeditiously an order reflecting the TRA's action of June 12, 2006 regarding this matter, so that the parties can proceed to a smooth closing, as scheduled. Thank you for your kind consideration of this request.

Sincerely,

Judith L. Harris
Regulatory Counsel
