**RE: In Re: Joint Application of Yorkville Telephone Cooperative, Inc.,
Yorkville Communications, Inc., West Kentucky Rural Telephone
Cooperative Corporation, Inc. and West Kentucky Networks d/b/a
wk.net for Approval of Asset Sale, TRA Docket No. 06-00127**

Dear Chairman Jones:

On May 2, 2006, the above-captioned matter was filed with the Authority. For reasons set forth in the *Joint Application*, and assuming that regulatory approval is required, the applicants have requested that this matter be considered, on an expedited basis, at the Authority's May 15, 2006, Conference. Under the circumstances stated in the *Joint Application*, expediting this matter as requested will serve the public interest, including the existing customers of Yorkville Telephone Cooperative, Inc. and Yorkville Communications, Inc. Failure to obtain any necessary regulatory approval on an expedited basis will cause the parties involved to incur substantial additional costs and may possibly jeopardize the contemplated transactions.

To serve the public interest, the joint applicants hereby re-new their request to have the above-captioned matter considered by the agency on May 15, 2006, or, in the alternative, at any time prior to May 23, 2006. An additional copy of this filing is enclosed to be "file stamped" for our records.

Respectfully submitted,

Melvin J. Malone
