Re: Application of W2Com International, LLC and
Reduced Rate Long Distance, LLC
For Approval of an Asset Purchase Agreement
Docket No: 06-00132
Data Request No. 3

Dear Ms. Dillon:

I am writing in response to your Data Request No. 3, dated August 14, 2006.

Your question was as follows:

- 1) Item Number 7 of the Data Response filed with the Authority on August 1, 2006, stated that the original transaction between W2Com International, LLC ("W2Com") and First Choice Technology ("First Choice") could not be consummated due to financing issues. Advise the Authority of the specific financing issues which kept Reduced Rate Long Distance ("RRLD") from participating in the original transaction with W2Com."

Response:

The original Asset Purchase Agreement was between First Choice and W2Com whereby First Choice would acquire the assets of W2Com. First Choice encountered financing issues, which may have prevented it from completing the original Asset Purchase Agreement with W2Com. As the result, First Choice assigned its rights pursuant to the Asset Purchase Agreement to Reduced Rate Long Distance. RRLD did not have any financial issues, and was not originally part of the Asset Purchase Agreement. Because First Choice had financing issues, RRLD took over the Asset Purchase Agreement, as it had sufficient financial wherewithal to complete the agreement, and then proceeded to seek regulatory authority to consummate the Asset Purchase Agreement.
