Re: Petition to Intervene by United Telephone-Southeast, Inc. d/b/a Embarq
Docket No. 06-00151

Dear Chairman Jones:

On June 13, 2006, United Telephone-Southeast, Inc. d/b/a/ Embarq filed its Petition to Intervene in the above-referenced Docket. The main concern behind the intervention request was whether Telescan is committed to comply with the State's county wide calling obligations under Tenn. Code Ann. § 65-21-114. Since Telescan has responded to a Staff Data Request on June 15, 2006 stating it will comply with the county wide calling requirements, Embarq has no additional concern. As a result, Embarq respectfully requests that the Authority permit the withdrawal of its Petition, which has not yet been acted upon by the Directors.

As this is an electronic filing the original and 4 copies of this letter will follow via FedEx delivery. In addition, an extra copy of the letter will be enclosed, please date stamp that copy and return it to me in the self-addressed stamped envelope which will also be included. Finally, please do not hesitate to contact me if you have any questions concerning this request.

Sincerely yours,

Edward Phillips
