Re: Revised Request to Surrender of CPCN for Windstream Knoxville Data, Inc.

Dear Ms. Dillon:

On January 13, 2013 Windstream Knoxville Data, Inc. filed a request to surrender its CPCN, which contained the incorrect entity name. The purpose of this letter is to revise the request and include the correct entity name.

Windstream Knoxville Data, Inc. ("Windstream Knoxville"), respectfully requests that the Tennessee Regulatory Authority allow Windstream Knoxville to surrender its authorization to provide local exchange telecommunications services in the State of Tennessee and to cancel its tariff. Windstream Knoxville was authorized to provide local exchange telecommunications services pursuant to authority issued on November 8, 2006 in Docket No. 06-00186 and changed its name in Docket No. 11-00078, which was approved on July 26, 2011.

Windstream Knoxville currently does not have any customers or facilities within the state, there are numerous other companies, which offer comparable local exchange service in Tennessee. No customers will be adversely affected by this request and there are no customers to be notified.

An original and three (3) copies of this letter are enclosed for filing. This filing has also been submitted via email to sharla.dillon@tn.gov. Please date-stamp the enclosed extra copy and return it in the self-addressed, stamped envelope provided. Should you have any questions concerning this filing, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Cesar Caballero", with a stylized flourish at the end.

Cesar Caballero
