MEMORANDUM FOR RECORD

Docket No. 06-00216

RE: Entergy

Entergy was contacted by telephone upon the Authority's receipt of a copy of Entergy's filing with the Arkansas Public Service Commission ("APSC") to discuss the purpose of the filing. Telephone contact was made with Mr. William R. Morgan, Manager, Regulatory Affairs for Entergy. Entergy is seeking to increase rates and Mr. Morgan stated that the APSC opened a contested case so any planned rate increase was automatically suspended. Entergy was asked about the Tennessee customers and Mr. Morgan provided the information that Entergy had 22 customers in Tennessee, and that the APSC suspension in Arkansas did apply to those Tennessee customers as well and that the Tennessee customers' rates would not be changed until completion of the Arkansas docket, 06-101-U. Mr. Morgan was asked to put this information in writing to file in this docket, and he said that he would send a letter.
