Re: In the Matter of the Application of Entergy Arkansas, Inc. for
Approval of Changes in Rates for Retail Electric Service
TRA Docket No. 06-00216

Dear Mr. DeBoard:

This is a follow-up to our conversation on October 3, 2006 and the September 15, 2006 filing letter made before the Tennessee Regulatory Authority (TRA) concerning the Arkansas Public Service Commission's suspension of the implementation of EAI's proposed changes in rates and tariffs for retail electric service, setting the matter for further investigation and the establishment of a procedural schedule in APSC Docket No. 06-101-U to consider Entergy Arkansas, Inc.'s (EAI) request for a general change in rates.

The suspension of the proposed rates and tariffs in Order No. 3 in APSC Docket No. 06-101-U includes all EAI customers in Arkansas and Tennessee.

EAI will not change the rates and tariffs included in its Application in TRA Docket No. 06-00216 for its customers living in Tennessee until after the APSC and TRA have approved changes in rates at the conclusion of the procedural schedule.

If you have any questions or need additional information, please do not hesitate to call me at 501-377-5489.

Sincerely,

A handwritten signature in cursive script, appearing to read "William R. Morgan".
