RE: DOCKET NO. 06-00228 – In the Matter: Tennessee Rural Independent Coalition Petition for Suspension and Modification Pursuant to 47 U.S.C. Section 251 (f) (2)

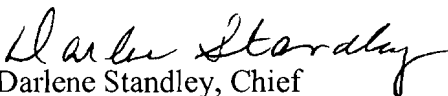

Dear Mr. Ramsey:

Thank you for the response to the Tennessee Regulatory Authority (TRA) request for reciprocal compensation billing and financial recording of associated revenue and expense data request March 28, 2007. After reviewing the TRA needs additional information:

- 1) Bledsoe Telephone Cooperative, Inc. indicated it does not have EMR records, to generate a valid bill for any reciprocal compensation billing. Has the company requested EMR records from the tandem providers and/or the wireless providers? Please explain either why the records have not been requested or if they have been requested, the status of such request.
- 2) Ardmore Telephone Company has not billed any of the wireless carriers in Tennessee. Does Ardmore have the records to enable billing? If no please explain why not. If yes, please specify the reason for not billing according to the interim agreement.

It is requested that this information be provided no later than 2:00 p.m. on April 19, 2007, and that you reference Docket No. 06-00228 on the response. In accordance with TRA rules submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Should you have any questions regarding this request, please contact Helen Trimble-Anthony at (615) 741-2904, ext. 166.

Sincerely,

  
Darlene Standley, Chief  
Utilities Division
