In re:

Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and TelCove Operations, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996

Docket	No	
DUCKUL	110.	

PETITION FOR APPROVAL OF THE AMENDMENT TO THE INTERCONNECTION AGREEMENT NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC. AND TELCOVE OPERATIONS, INC. PURSUANT TO THE TELECOMMUNICATIONS ACT OF 1996

COME NOW, TelCove Operations, Inc. ("TelCove") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated March 30, 2006 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, TelCove and BellSouth state the following:

- 1. TelCove and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to TelCove. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on May 15, 2006.
- 2. The parties have recently negotiated an Amendment to the Agreement which incorporates into Exhibit B of Attachment 4 of the Agreement the new Physical Collocation and Virtual Collocation elements set forth in Exhibit 1. A copy of the Amendment is attached hereto and incorporated herein by reference.

- 3. Pursuant to Section 252(e) of the Telecommunications Act of 1996, TelCove and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit this Amendment to the TRA for approval.
- 4. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and TelCove within 90 days of its submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.
- 5. TelCove and BellSouth aver that the Amendment is consistent with the standards for approval.
- 6. Pursuant to 47 USC Section 252(i) and 47 C.F.R. Section 51.809, BellSouth shall make available the entire Interconnection Agreement approved pursuant to 47 USC Section 252.

TelCove and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties.

This 26 day of 521., 2006.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
