## MEMORANDUM FOR RECORD

October 23, 2006

### ***Docket No. 06-00257 Petition for Expedited Review of Growth Thousand Blocks by the Number Pooling Administrator Relating to St. Mary's Hospital***

Due to missing number inventory utilization information and a discrepancy in the Months-to-Exhaust ("MTE") information Staff contacted Citizens by phone to discuss the problems. Citizens agreed that the information needed to be corrected and stated it would email the number inventory, and overnight an amendment on October 24, 2006 to correct and formalize the MTE information.
