RE: Docket # 06-00276 - Relinquishment of CCN for Mountain Folks Community

Dear Chairman Jones,

This letter is to inform you and the Tennessee Public Utility Commission ("TPUC") of Tennessee Wastewater System, Inc.'s ("TWSI") decision to voluntarily relinquish its CCN for the territory known as Mountain Folks Community.

TWSI was granted the CCN for Mountain Folks Community in 2006. In the subsequent twelve years, the developer has failed to move the project forward and there have been no recent discussions with the developer regarding any intent on his part to do so. The wastewater treatment system has not been constructed and there are no customers to serve. In addition, TWSI has not renewed the TDEC State Operating Permit for this development.

For the foregoing reasons, at the request of TPUC staff, TWSI has agreed to relinquish the CCN for this territory. If you have any further questions, please do not hesitate to contact me.

Kind regards,

Jeff Ridsen
General Counsel
