November 10, 2006

Chairman Sara Kyle
c/o: Ms. Sharla Dillon
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, TN 37243-0505

Dear Chairman Kyle:

Enclosed are an original and four copies of revised pages for the United Telephone-Southeast, Inc. General Subscriber Services Tariff. These revisions are submitted with a November 13, 2006 issued date and a proposed effective date of December 15, 2006, pending the approval of United Telephone-Southeast, Inc. d/b/a Embarq 2006 Annual Price Regulation Filing, including Re-initialization of Price Regulation Indices (Docket No. 06-00207). These tariff revisions are available on Embarq's website at www.embarq.com/tariffs.

The revisions enclosed for review and approval are:

Section U2.	Seventh Revised Page 17	Section U22. (cont'd)	Tenth Revised Page 17
Section U3.	Thirty-Third Revised Page 3		Eighth Revised Page 20
Section U17.	Sixth Revised Page 1	Section U26.	First Revised Page 46
Section U22.	Eleventh Revised Page 2	Section U100.	Fifth Revised Page 3
	Ninth Revised Page 5		Third Revised Page 11

This filing proposes to increase residence and business Late Payment Charges, and rates for residential access lines, certain analog Private Line services, Digilink, Translink, and reduce rates for ATM. Also, Local Directory Assistance exemptions are being reduced from six to three. Maximum rate columns were deleted in the Obsolete Services section as they are no longer applicable.

Included with this filing are proprietary supporting work papers confirming that these changes are compliant with the Price Regulation Plan of United Telephone-Southeast, Inc. as specified in T.C.A. 65-5-109. Public notice of these changes has been placed in newspapers throughout the Company's Tennessee territory. A copy of the newspaper notice is also attached.

Acknowledgement and date of receipt of this filing are requested. A duplicate letter and a self-addressed stamped envelope are enclosed for this purpose. Authority consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call me or Kaye Odum at 919-554-5277.

Sincerely,

Debra Breitenbach

EFFECTIVE: December 15, 2006

U2. GENERAL REGULATIONS

U2.4 PAYMENT ARRANGEMENTS AND CREDIT ALLOWANCES (Cont'd)

U2.4.3 PAYMENT FOR SERVICE

- a. All charges due by the subscriber are payable by mail, direct deposit or at any agency duly authorized to receive such payments. If objection in writing is not received by the Company within thirty days after the bill is rendered the account shall be deemed correct and binding upon the subscriber.

A Late Payment Charge that is the greater of two percent (2%) or \$5.00 for residential customers and three percent (3%) or \$10.00 for business customers will apply on unpaid balances from the prior month's invoice, excluding charges that have been disputed by the customer. The Late Payment Charge will be applied to the total undisputed, unpaid amount carried forward and will be included in the total amount due on the current invoice. This charge will apply to federal and state government customers pursuant to existing statutes applicable to those governmental entities.

(C) (1)
(1)
(C)

- b. The subscriber shall pay monthly in advance or on demand all charges for services and shall pay on demand all charges for long distance service. The subscriber is responsible for payment of all charges for services furnished the subscriber, including charges for services originated or charges accepted at the subscriber's station.
- c. Customers receiving support under the Lifeline Assistance Program (Section U3.11) will not be disconnected for non-payment of toll charges. Lifeline customers may not be denied the re-establishment of local service because the customer was previously disconnected for toll charges, as long as all outstanding local charges have been paid. Partial payments from Lifeline customers are to be applied to local service charges first and then to toll charges.
- d. Should service be suspended for non-payment of charges, it will be restored only as provided under "Restoration Charge" in Section U4 of this tariff.
- e. When the service has been disconnected for non-payment, the service agreement is considered to have been terminated. Reestablishment of service may be made only upon the execution of a new service agreement which is subject to the provisions of this tariff.

U17. DIRECTORY ASSISTANCE SERVICE

U17.1 GENERAL

- A. The Company furnishes Directory Assistance Service whereby customers may obtain assistance in determining telephone numbers.
- B. The charging application and rates set forth in U17.3 following apply to subscriber requests for Directory Assistance Service in determining, or attempting to determine, the telephone number of any customer served by or thought to be served by the Company throughout northeast Tennessee.
- C. Directory Assistance does not provide the telephone number for a non-published listing but does provide the telephone number for a non-listed listing. Requests for telephone numbers which are non-published are considered inquiries as defined below.
- D. The availability and rates for Directory Assistance for Mobile Service Providers are set forth in U16.10.1 (J) preceding.

U17.2 APPLICATION OF CHARGES AND ALLOWANCES

- A. A charge is applicable for each inquiry for directory assistance except as noted below; each number requested constitutes an inquiry except that the first two numbers requested on any one call constitutes only one inquiry.
- B. Charges for Directory Assistance are not applicable to:
 - 1) Calls made by customers who are unable to use a telephone directory because of a visual or physical disability which can be confirmed by a physician, appropriate group or agency from their residence or business line.
 - 2) Calls made from pay telephone service locations.
 - 3) Calls made by residence customers from their line who are 65 years of age or older and who have requested an exemption from the company and provided satisfactory proof of age.
- C. An allowance of **three (3)** inquiries per residence customer and **three (3)** inquiries per business customer, per billing period, per access line shall apply. The allowance is not transferable between separate accounts, even for the same customer. An unused allowance will not be credited to the customer's account in any other billing period in which service is rendered. (C)

a. Each termination of a channel when a circuit is within the same local service area	\$ 7.50	PBMSPTC	(1)
b. Same as above except when the circuit terminates between different local service areas.	7.50	PDMSPTC	(1)

U22.3 CHANNELS

U22.3.1 Series 1000 Channels

a. Types and Description

Unconditioned channels capable of transmitting direct current mark-space or binary signals at the rates up to 150 bauds. These channels are not suitable for the transmission of alternating current tones. These channels are furnished for half-duplex or duplex operation on a two point or multi-point basis for a minimum period of one month except as otherwise specified. The transmission characteristics and the various types of services furnished within this series are as follows:

1. Type 1001 - Transmission up to 30 bauds for remote metering, supervisory control and miscellaneous signaling purposes.
2. Type 1002 - Transmission up to 55 bauds for teletypewriter, teletypesetter, data or remote metering, supervisory control and miscellaneous signaling purposes.
3. Type 1004 - Transmission up to 45 bauds for teletypewriter, teletypesetter, data or remote metering, supervisory control and miscellaneous signaling purposes.
4. Type 1005 - Transmission up to 75 bauds for teletypewriter, teletypesetter, data or remote metering, supervisory control and miscellaneous signaling purposes.

U100.11.4 Other Rates and Charges

A. Installation Charges

- 1) The appropriate business service connection charges apply as stated in Section U4 of this tariff.
- 2) If special or unusual line conditioning is required or unusual installations occur, additional time and material charges may apply.

⁽¹⁾ The charge for United SwitchLink and United SwitchLink Plus includes the Centrex access line charge as specified in Section U13 of this tariff.

⁽²⁾ Modem pooling is not compatible with United SwitchLink Plus.
