Sharla,

Can you put a copy of this email in 03-00545 and 06-00289? PNG is now stating they are still doing business in Tennessee. I think the last thing we added to these dockets was a cancellation request based on Mr. Gartner's email that they were not doing business in TN any longer. Today he says they will continue to do business in TN. See below.

Thanks,

Lisa:

I have just signed the final papers to reinstate our letter of credit (US Bank). You should be notified shortly. PNG Telecommunications will continue to do business in Tennessee.

Mr. Gartner,

Thank you for your response. However, we need a formal written request in order to cancel the certification per company request. Please reference Docket Nos. 03-00545 (resale ccn) and 06-00289 (facilities-based ccn) in your request for cancellation and indicate that PNG Telecommunications has no customers in Tennessee. You can call me at [615-770-6886](tel:615-770-6886) if you have any questions.

Thanks,

Lisa - my name is Christian Gartner, CFO of PNG Telecommunications.

We are no longer doing business in Tennessee and thus I asked US Bank not to renew the LOC. Please proceed with the cancellation. If you have any future correspondence with our company, its better to use the following email address (JCoffman has left the business):
