**Re: Docket No. 06-00290**

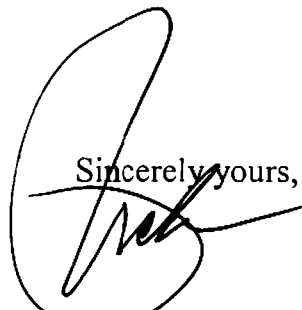

Dear Mr. Collier:

We have received this morning a copy of the letter sent to you yesterday evening by Mr. Grimes. It appears that Tennessee American Water Company has changed its position on several items discussed in the status conference on Friday. We will review the materials to be received tomorrow and will respond accordingly.

Of course, the City of Chattanooga reserves the right to continue to continue to pursue any aspects of its Motion to Compel to the extent that TAWC's Supplemental Response is not consistent with the agreements announced to you in our discussions Friday or do not result in production of information consistent with the understandings reached in Friday's conference.

With best regards, I am

Sincerely yours,

Frederick L. Hitchcock

FLH/sjw
