**CONSUMER ADVOCATE AND PROTECTION DIVISION'S MOTION FOR
EXTENSION OF TIME**

The Office of the Tennessee Attorney General, by and through the Consumer Advocate and Protection Division, hereby moves for an extension of time in which to file its Pre-Filed Testimony. This Pre-Filed Testimony is currently due on Monday, February 26, 2007. By this Motion, the Consumer Advocate is requesting an extension of time to Wednesday, February 28, 2007.

The Consumer Advocate has been diligently working on its Pre-Filed Testimony but it has become apparent that more time is needed in order to properly cover all the material. The parties have all worked hard in this case but the fact is that certain discovery issues were not resolved until after the date discovery was due on February 6, 2007; this has delayed the Consumer Advocate's time in which to prepare testimony.

If this Motion is granted, the Consumer Advocate understands that the time to file Pre-Filed Testimony is similarly extended to all parties. The City of Chattanooga and the Manufacturer's Association support this request for an extension of time.

In addition, the Consumer Advocate, speaking for itself only and acknowledging that it has not discussed this point with other parties yet, is willing to allow Tennessee American Water Company an additional two days in which to prepare its discovery requests, which are currently due on March 7, 2007. At this time the Consumer Advocate will make every attempt to respond to discovery requests in the time currently allowed so that the Procedural Schedule will not have to be further modified.
