Good Morning Lisa –

Message from our Wholesale Credit and Collections group says that OneTone is currently **only operating in GEORGIA.**

Hope this helps.

Ms. Sawzak,

I'm inquiring about the status of the above company with BellSouth dba AT&T Tennessee. We have received a cancellation request from OneTone Telecom, Inc., indicating they do not have any customers and are not operating in Tennessee. I'm wondering if you could verify that BellSouth dba AT&T Tennessee is not providing any facilities or resold lines to OneTone Telecom, Inc. This is in reference to TRA Docket No. 06-00307. Thank you in advance for your time and attention to this matter.
