NOTICE OF FILING COMMENTS

DOCKET: 06-00309

IN RE: Docket for the Collection of Data and Comments Relating to
Home Energy Conservation Matters in Tennessee

DATE: December 13, 2006

During the regularly scheduled Authority Conference held on November 20, 2006, the Directors of the Tennessee Regulatory Authority ("Authority") specified that the report of the Tennessee Home Energy Conservation Task Force be filed in this Docket and that written comments concerning the report be solicited from the public. A copy of the report was posted on the Authority's website on November 21, 2006 and can be accessed through the "Hot Topics" section at www.state.tn.us/tra.

The Authority seeks public comments and requests that any interested person or entity desiring to file comments do so no later than **2:00 p.m. on Wednesday, December 20, 2006**. Comments should address the content and specific recommendations set forth in the report and should also include suggestions regarding an agenda for, as well as participation in, a workshop to address funding issues. All comments must be filed in this docket and addressed to the Office of the Chairman of the Authority. The funding workshop will be held in January, 2007.

Any questions regarding the requested comments or the workshop should be directed to Carsie Mundy at (615) 741-2904, Ext. 157.
