**IN RE: TRA DOCKET 07-00007 - PETITION OF LYNWOOD UTILITY
CORPORATION TO CHANGE AND INCREASE RATES AND
CHARGES**

Mr. Collier,

The Consumer Advocate has received the timely filed Discovery Responses of Lynwood Utility Corporation. At this time some of the responses are inadequate. The parties have agreed to work together in resolving these issues as quickly as possible within the framework of the procedural schedule. However, we would note that at this time the schedule provides no forum to adjudicate any potential dispute until April 23, whereas the Consumer Advocate's Direct Testimony is due on April 13.

Complete discovery responses are needed prior to the filing of Direct Testimony and to move the case forward. In the event that a discovery dispute can not be resolved between the parties, the Consumer Advocate reserves the right to file a motion to compel, to seek the scheduling of a status conference to hear such a motion and if necessary request an extension on the filing of Direct Testimony in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan McGehee", with a long horizontal flourish extending to the right.
