PETITION OF LYNWOOD UTILITY)	DOCKET NO.
CORPORATION TO CHANGE AND)	07-00007
INCREASE RATES AND CHARGES)	

ORDER RESUSPENDING TARIFF THROUGH AUGUST 3, 2007

This matter is before the Hearing Officer for the purpose of preparing this matter for hearing, including handling preliminary matters and establishing a procedural schedule to completion.

On January 4, 2007, Lynwood Utility Corporation (“Lynwood” or the “Company”) filed its *Petition* in which the Company seeks approval by the Tennessee Regulatory Authority (“Authority” or “TRA”) of proposed increased rates. In the *Petition*, Lynwood requests that the Authority set a hearing and determine, after the presentation of evidence, that the rates proposed by Lynwood are fair and reasonable and are necessary to provide adequate sewer service to its customers and a fair rate of return to the Company. Along with the *Petition*, Lynwood filed a revised tariff containing the effective date of February 3, 2007.

On February 2, 2007, the Hearing Officer entered an *Order Suspending Tariff, Granting Petition to Intervene and Setting a Status Conference* in which the effective date of the proposed tariff was suspended until May 3, 2007. On March 9, 2007, an *Order Establishing Procedural Schedule* was entered which set dates for the completion of discovery and the submission of pre-filed testimony.

On April 10, 2007, the Consumer Advocate and Protection Division of the Office of the Attorney General filed an *Agreed Motion to Stay the Procedural Schedule*. On April 25, 2007, the Hearing Officer entered an *Order Granting Agreed Motion to Stay Procedural Schedule and Setting Status Conference*. In that Order, the Hearing Officer stated that new dates for discovery and the filing of testimony must be incorporated in a revised procedural schedule due to the fact that certain deadlines in the existing procedural schedule have passed without the filing of discovery responses and testimony.

Because of the suspension of the procedural schedule, the hearing and determination of Lynwood's proposed increase, change or alteration in its tariff cannot be completed by the dates originally proposed. For these reasons, the Hearing Officer hereby resuspends the effectiveness of the tariff filed with the *Petition* for a period of an additional three months, or through **August 3, 2007**.

IT IS THEREFORE ORDERED THAT:

The *Petition* and the effective date of the tariff filed with the *Petition* by Lynwood Utility Corporation are hereby resuspended through **August 3, 2007**.

J. Richard Collier, Hearing Officer
