RE: Integrated Resource Management, Inc.'s Petition to Amend Certificate of Convenience and Necessity (Docket No. 07-00010)

Dear Mr. Welch:

Applicants for Certificates of Public Convenience and Necessity are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Integrated Resource Management Inc.'s ("IRM") amendment to its Certificate of Convenience and Necessity to provide wastewater utility services to the portion of Union County, Tennessee known as Lost Creek Campground, you are requested to provide the following information:

1. Was there a wastewater system built at Lost Creek Campground when the TDEC permit was approved in September 2001? Is the wastewater system currently in use by Lost Creek Campground? If so, please provide a complete explanation of the current wastewater system that is in place. Please include any repairs or updates that need to be made to the system as it exist today.
2. Please provide any new or additional engineering and construction plans for the proposed area.
3. Please provide any estimates for growth for the first five years. Please include a breakdown of the class of customers served (residential, commercial, apartments, recreational, institutional, etc.).
4. Provide the estimated amount of contributed capital to IRM once the system is transferred to IRM.
5. What is the size of the Lost Creek Campground? How many acres? Please provide specifically, where Lost Creek Campground is located.
6. A pro forma statement of the cost of operating the system and estimated revenues for the first five years.
8. Provide documentation indicating that other public utilities, utility districts or governmental units in or near the affected area are unable or unwilling to provide service to the affected area.
9. An estimated timeframe for construction of the system including estimated date construction will begin and the date it is estimated to end.

It is requested that this information be provided no later than 2:00 P.M. Thursday, February 8, 2007 and that you reference Docket No. 07-00010 on the response. In accordance with TRA rules submit either (1) thirteen (13) written copies of your response or (2) four (4) written copies and an electronic version.

Should you have any questions regarding this request, please contact Patsy Fulton at 615-741-2904 ext. 193.

Sincerely,

*David A. Fort for Darlene Standley*

Darlene Standley, Chief  
Utilities Division
