IN RE:

ATMOS ENERGY CORPORATION'S
TARIFF FILING TO MODIFY AND ADD
LANGUAGE REGARDING
TRANSPORTATION SERVICE
(TARIFF NO. 2007-0021)

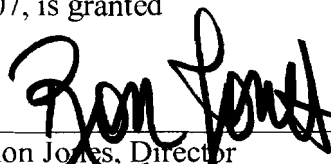

DOCKET NO.
07-00020

ORDER GRANTING *MOTION TO AMEND*

This docket came before the Hearing Officer for consideration of the *Motion to Amend* filed by Atmos Energy Corporation ("Atmos") on October 18, 2007. In the motion, Atmos explains that it "wishes to abandon its proposal to change the tariff language that governs the charge for lost and unaccounted-for gas (L&U gas)."¹ Authority Rule 1220-1-2-.06 permits any party opposing a preliminary motion to file a response within seven days after service of the motion.² Atmos served the motion on all parties via mail and electronic mail on October 18, 2007.³ To date, no objections to the motion have been filed. Given that there is no opposition to the motion and that the effect of granting the motion is to ensure that the current L&U gas provision of Atmos' tariff remains as previously approved, I find that the motion should be granted.

IT IS THEREFORE ORDERED THAT:

The *Motion to Amend* filed on October 18, 2007, is granted

Ron Jones, Director
Acting as Hearing Officer⁴

¹ *Motion to Amend*, p. 1 (Oct. 18, 2007).

⁴ The panel voted to appoint Director Jones as the hearing officer to prepare this matter for hearing by the panel during the July 9, 2007 Authority Conference. See Transcript of Authority Conference, pp. 38-39 (July 9, 2007).
